### The Premises:

A well known budget hotel in Coventry town centre.

### The Lady:

A very young looking, petite, blonde, small boobs, shaven. She hardly spoke a word of English (see below).

### The Story:

I spoke to a lady on the phone, she spoke perfect English - albeit with a strong Mexican or Spanish accent. She described herself and the service she offers. I asked about shower facilities, she replied "yes" and said that she (ie the lady I was talking to on the phone) would join me. This girl sounded enthusiastic, experienced and the price was fair.

Upon arrival at her hotel, I phoned and spoke to same girl to ask for room number.

A young girl came to collect me, she spoke a smattering of English. I thought this new girl was the maid; once in the room, it turns out that she was in-fact Gianina. I grasped from her that I had spoke to her sister on the phone. In other words, another woman pretends to be Gianina on the phone to lure the customers.

I was tempted to walk. In hindsight, I should have. However she was pretty and I was there and she was available.

She managed to say she was 21 years. Over the phone she was supposed to be 19. I suspect she was younger than both those ages.

I handed over the money. The assisted shower offered on the phone was no longer available.

OK down to business. In fairness her (covered) oral was fantastic. The in and outs was even better. Her tits were small firm. However that was all there was. No massage, no touching, no chit chat, no English. It was absolutely rushed and interrupted at every opportunity for her to talk foreign on her phone.

The whole thing was under covers as she was cold.

It was all over in 10 mins. She did indicate that we could wait and try for round-2 later. I really did not want to, so I suggested we go for a drink.

She thought a "drink" was a large Costa coffee sat outside so she could smoke. Even this was a disaster. No conversation, she on the phone. She didn't even bother to finish her coffee.

I also understand there is no booking system, it's all a ruse. You just turn up and hope she is free. It would take me too long to explain how I know but that's the way it is.

This was a waste of time and money for me. It is not what I wanted and certainly not as described on the phone. I am thinking of giving punting up forever.

However..... I have recommended a "yes" based on looks and the sex was OK. I recommend you see her if you're in the vicinity and want a quick no frills shag with a young chick. Go for a 15 min quickie and you I guess she will be fine.
