The Premises:

The tried and trusted number 15, been there many times before. It would probably show up on the Centre:MK Storfinder.

The Lady:

Afro-Caribbean about 5'3" with one small tattoo on lower back and one between shoulder blades.

The Story:

It was Easter Sunday and everyone seemed to be out hunting hidden Easter eggs. But I was soon on the scent of a fox. I double-clicked on the HoD website and there she was. The next thing I know, I'm sitting in a room waiting for my quarry with a loaded weapon. The door opened and Foxy ambled in, bright-eyed, bushy-tailed, high-heeled and in high spirits. How ironic would it have been if she'd been dressed as an Easter bunny??

She's very bubbly and chatty, we clicked instantly and I wanted to stroke her. Did I mention she's a good match to her pics? She is. In fact she was wearing the very outfit with the seamed fishnets? my favourite item of lingerie. I'd say one of her best features is her legs. They're very long, sexy, slim and perfectly shaped. I began to dribble.

Standing up, I slipped the money into her cleavage then we kissed full on. Full fat DFK ensued and I knew I was in for a good time. Foxy's hands wandered to all of those sensitive areas on my body, particularly around my nuts lightly caressing and teasing me, leaving my dick as stiff as a poker. She knelt down before me as if she was about to pray but I suspected she was not of a praying kind of disposition and I was right. But she does cut a very nice blowjob (without).

I soon returned the favour on her fully shaven haven which was already very wet. We then moved into 69. Foxy also has a nice little tool kit she keeps with her. She opened it and produced a little silver buzzing bullet which she covered with a condom and began to play around my bum while sucking me off some more. Now I am partial to a bit of anal play but I was a bit wary of my recent attack of piles so I suggested we try some mish. After this we had a nice spell of doggy followed by me shooting off in her mouth. After I filled up her mouth I shot the rest over her tits, shoulders, stomach and arms. In fact, she looked like she been assaulted with a bucket of Danone Actimel and

we both laughed as we admired my art.

In his description a previous FR author quoted Kiplin. Respect to that but to be honest I much prefer his cakes, That said, I also have a quote I consider applicable to Foxy.

Foxy, Foxy
You know you are a cute little heart breaker
Foxy yeah,
And you know you are a sweet little lover maker
Foxy

I wanna take you home, yeah
I won't do you no harm
You've got to be all mine, all mine
ooh Foxy Lady
Foxy, Foxy

Jimi Hendrix

All in all, Foxy is a great sport. She?s very experienced at her work and I had a great time. She laughs, she jokes, she buzzes your arse and tickles your balls and I know she has many more tricks up her sleeve but I only got to sample a few of them in my half hour. I?ll just have to go back get me some more.
