The Premises:

Place next to a pub near Birkenhead town centre, safe enough at this time of day. Inside place was a bit scruffy, but clean enough & made to feel welcome.

The Lady:

Oriental looking british lady, in her late twenties. Slim figure with a nice round bum, and huge enhanced 34gg tits. Told me she'd just had them done again a few weeks ago. Nice basque presenting the tits, and a sexy black g-string up her arse.

The Story:

When she came into the room, she asked me where I'd like her to start, so had to try a tit massage. She rubbed them all over, working down to my cock, a very sexy experience.

Got onto the extras which were: ?40 for anal, ?10 for oral on her, ?20 for owo in cumshot on her tits. I went for the basic this time, but I am tempted to go back and try that tight arsehole!

She sucked me hard using lots of eye contact, and I got a good handful of her bum. I then told she had to get fucked, so she jumped on top and rode me while bouncing those huge tits. Then into doggy, with her arse in the air, finished in her in the missionary, looking at her whilst she talked dirty.

Top punt on the whole
