The Lady:

Web site pictures are broadly accurate though slightly flattering. In real life, Kira is slightly most thickset in appearance (especially thighs. Breasts medium size but soft. I would estimate her true age as late 20s.

The Story:

An intelligent Hungarian woman with good English who is sexually responsive in a genuine rather than fake way. I was inclined to give a negative recommendation on the basis that her age is mis-described, but this is so common that I will let it pass. For intelligent personality and sexual responsiveness, she gets a Yes.
