The Premises:

The place was very clean and quiet. The bedroom is a fair size for a typical london flat. Area is in the posh end of London (bayswater).

The Lady:

Ameila fits the pics quite well. The pics are obviously photoshop'd, but no nasty surprises. She's a very pretty lady with strong oriental features.

Despite all the sites stating her as thai or malaysian, she's actually chinese. Her English is ok for the task at hand, but I had difficulty understanding a few sentences.

Amelia wore a corset and lingerie with a schoolie skirt\shirt. Very sexy

The Story:

Amelia is a delight to be with. In my short punting and private life , one of the best times I have had. Nothing was off limits (but I did not ask for anything out of the ordinary).

Tried some roleplay. Wasnt working due to language barrier. Decided that we start with owo and deep throating. She was more than happy to collect the "reward" in her mouth. Not sure she swallows as she went to the bathroom thereafter (fair enough).

Round 2. I was stiff and solid as a rock for the whole hour (no magic pills either). When she got back from the bath room, straight in to it. No massage, just more owo and then she asked me to fuck her hard. We fucked hard for another 40 mins. every position I could think of, finally ending in HR whilst she played with my balls.

She was a perfect host. No time wasting, no long talks (see above), just eager to please. I walked out wobbly legged as I was worn out when we had finished. If you have the stamina she'll go as fast or as slow as you want her to.
