The Premises:

Okay area on the main road in Hay Mills, but plenty of passing traffic.

The Lady:

Tall, with long black hair about size 10 and enhanced breasts. Not as nice looking as on the website, but still okay.

The Story:

Paid extra ?20 for GFE which she said involved DFK, but this was non-existent throughout. Started with her telling me that we had little time which was not encouraging. Massage lasted two minutes, then off with her clothes and a little play with her breasts, which are great. This was being done at frantic pace, and after a few minutes of her on top, it was over. Complained to the receptionist about poor service but she took little notice. This was the worst and most expensive service I've ever experienced. Avoid this 'lady' at all costs.
