Little to add to the numerous descriptions from her time at Sandy's, except that she's in excellent shape right now - check out the pictures on her website!

The Story:

I really should have written a report on Zoe long ago, having seen her many times as Sandy's. Just as well I didn't though, as seeing her as an escort is an even better experience! I was a bit flustered having had problems finding the place. "Chill out" she said, offering me a beer; this set the tone, it was all so relaxed and intimate.

I'd not seen her for a while, so we spend a long time kissing (full-on snogging) and cuddling and chatting. The main event started with her superb OWO, firm and deep and just the right speed for me. Some lovely intimate mish, then I had a go at RO. I've never really got the hang of this with Zoe, but she seemed happy enough, and when I went back in, it had obviously had some effect as she was very, very wet.

I kept noticing differences from parlour rooms. The lack of mirrors was one. Zoe pointed out that there were a couple in the corner, and if she went and bent over that chair... well I couldn't say no, could I? She finished me off with a fantastic porno-style blow job to completion, then teased me by kissing me immediately afterwards!

Plenty of time for more cuddling and chatting. I was her last customer for the day, and she was in no hurry at all to leave, so I got a very generous hour.

Zoe can be your perfect girlfriend, or a full-in porn star, or both, and now you get to "chill out" at the same time!
