The Premises:

As before (field Report number 92763) but there seemed to be a lot more people milling around and, because of the fine weather, the businesses either side had their doors open. Felt quite exposed while waiting for the door to be opened.

Had to wait in the lounge for a minute upon going up to the flat (note: the security/surveillance system is extensive - I wonder if they keep copies of those video tapes.. hope not!) before entering the clean, pleasantly scented bedroom.

The Lady:

Eastern European blond, slim figure, smallish boobs but shapely bum, roughly 5'4" tall. I'm not very good with ages but I'd say late 20's maybe. Well kept and fresh. Very good English. Throughout was friendly and accommodating.

The Story:

I paid a little bit extra as for kissing, reverse O, 69 and OWO but to be quite honest I think Michelle might have been up for half of this stuff even without the financial incentive. She engaged me with passion and (even though I'm a realist and know that I'm paying for all this) at no time did I feel ill at ease or that things were forced. Michelle was chatty and friendly and I was really sorry when our time was over and it was time to go!

This was my second visit to Darlings and I've got to say that if I can expect to be treated like this by ladies such as Michelle and previously Carmella I really don't think I'll be bothering to go anywhere else. They have made me a very happy chappy.
