The Premises:

Very nice area, perhaps too nice. A couple of neighbours made a brazen point of trying to stare me out as I approached the house. Very hostile!

Room was small but clean and tidy. Double bed inside.

The Lady:

Emma is sometimes advertised as 'cheeky Emma'. She is young. She said 19 on the phone and I think that's true. Small and slim with size B cup breasts. Her complexion is poor and her face was caked with make-up. It looks as though she had pierced her upper lip recently as they had traces of scabbing.

All in all not particularly appealing.

The Story:

She's a nice enough girl going through college. She apologised for her neighbours. She is looking to relocate. Her quoted fee was ?90 but she sent me a text offering extras for ?120 or ?150. I'd heard rave recommendations about her which is why I went.

She wore matching white bra & knickers. Money sorted, I stripped off and lay on the bed. A brief & feeble OWO followed. Then she wanted to get down to sex but I wasn't even hard! No more OWO. A poor wank followed with a bit of doggy to completion. A complete rip off. One of the worst and most expensive 25 years of punting.
