The Premises:

Small apartment in a well known block in Chelsea. One main room plus bathroom and kitchen. Small, but clean and tidy. Parking is the usual - meters are free out of hours and there was plenty.

The Lady:

Medium height, long dark curly hair, enhanced bust (but not too much - tasteful job), nice legs, firm bum - pretty much a stunning Brazilian girl!

The Story:

Lola's photos were new on Lilyfields that day and were good enough to get me interested. On opening the door I discovered that the photos really didn't do her justice. They don't convey how sweet her face is or what an amazing smile she has. And, luckily, she has a personality to match. She's a smart cookie too!

This girl really knows how to push a man's buttons and really throws herself into it. O was wo and excellent - one of the best I've had, and she is incredibly keen in the main act. Not one of those girls who is funny about kissing either.

Her English is around the 'conversational' level. She seems to play it down a little, but we had a good old natter between rounds. Enough to learn that she isn't sure how long she intends to stay, so get in there chaps before she decides to move on.

All in all a brilliant punt!
