The Story:

Spent 5mins chatting and relaxing in each others company.This can be awkward with some girls but not with Abby. We realised very quickly that we got on and just chatted away.Then we got on to RO and does she love this.She has no problems with showing how happy she is which is how it should be.She then gave me HJ with some of the best kissing I have found.She was filling in as she is based in Stoke but I hope she becomes a regular as for a 21yr old she is wonderful. Treat this girl with respect.
