Slim lady with lovely pert nipples and great bottom.

The Story:

Kim stripped of as soon as we entered the clean bedroom and waited for me to do the same.

Spent some time kissing and touching each other with me fingering her pussy before she went down for some really good oral without. Kims oral skills are good licking and sucking and if you want taking your cum in her mouth. On with the condom and then some great fucking in a number of positions .

Not the full story I want to keep that to myself and not sure if Kim wants all we did to be made available will ask her the next time
