The Premises:

The Place is at the junction of the North Circular road and harrow road, A corner house that is very visible to the traffic/passing cars.

A very big man opens the door, and you are led into the front room to choose the lady, a choice of 3 today. Katherine, Elizabeth and Victoria.

Nice enough small clean bedroom, a bit dark in the room. free parking in the side road, but one not to go to at night, unless you are a local.

The Lady:

Katherine is an early 20's Hungarian girl with a very smooth bbw body. Her tits are not massive, a hand full, No nasty marks on her body, very pretty face and a nice attitude.

The Story:

after payment led into the room, Asked katherine to leave her underwear on, so I could do the honours, Played with her great body for a bit, stroking, admiring, and kissing, then on with the rubber. After finishing she cleaned me up, and I was once again a happy bunny.
