The Premises:

Discrete frontage and with pleasant rooms near town centre.

The Lady:

Petite lady with a very attractive body and face. Possibly mid-20s but could have been younger. Friendly manner though new to the place. Had glimpsed her when passing the girls' sitting room and instantly wanted to see her.

The Story:

Really pleasant time with an interesting woman who was down to earth but also had a sexy manner about her. You would fancy her in the pub without question.

Got chatty while having a cuddle with Tara initiating things very effectively.

Onto ow and then she happily accepted 69 which was really good.

For the sex, Tara had a tautness to her body that gave different feelings for me which was interesting.

Finished with HJ and ended with more relaxed chat.

This was a session I went into not really having seen or known anything of the lady before she walked into the room and it turned out really well.
