Great looking curvy brunette sexily dressed and very well turned out

The Story:

Jenna has only been escorting for a few months.

She is a very attractive looking girl who loves kissing and cuddling and full on type sex and is very good at what she does. Her oral technique is mind blowing and her submissive approach when she is being fucked, especially from behind, requires mind over matter control that will be beyond most.

She obviously loves what she is doing and is comfortable in her skin and sexuality. She was very relaxed and what happened between us was spontaneous but very raunchy and will remain in my memory for a long time.
