The Story:

I am a regular London punter, possibly over 100, but this is my first review. I told the guy I wanted a sensual GFE with DFK as a priority - no problem he said and recommended Christie. What a load of ***** - she would barely let me near her, pretended she was coming when I had about 10 seconds of DATY ! Put a rubber hat on the old man after about 5 mins and seemingly could not wait to finish. 12 minutes after I arrived I was outside the front door - disillusioned and angry, what a waste of 200 smackers. It is not like I did not make it crystal clear to the agency what I wanted. I am clean, slim, professional, quite good-looking, a total Gentleman.... what on earth do some of these girls think that they are being paid for !
