### The Premises:

Discrete flat in a newly built anonymous apartment block. Felt very safe.

### The Lady:

Very cute and pretty young Indian lady. Busty and slim with lovely big brown eyes. Website photos are definitely of Jada.

### The Story:

Jada just blew me away. What a beautiful, sexy and intelligent young lady. I was pleasantly surprised to find out she was actually Indian. I visited a place last week and the lady turned out to be brazilian.

I was let in and offered refreshments. I was very impressed with the general standard and organisation of this establishment.

Jada started off by offering me a massage. Although I just wanted to start fondling those lovely breasts, I let her massage me. She stroked and teased my balls till I had to turn over. I gently licked her large nipples while she played with me stiff cock. Could not wait for her to give me oral, so I fucked her from behind, admiring that cute ass. After some very intelligent conversation and more massage with the sexy young Jada, we went for round two. She gave me superb covered oral. I gave it to her slowly with her looking totally fuckable underneath me. She seemed to really enjoy it. Getting hard thinking about her now! I first started off for an hour with Jada, but had to extend. She totally captivated me with her beauty, charm and intelligence. Very sexy and well worth visiting.
