### The Premises:

Safe and tastefully decorated

### The Lady:

21, 34d, size 10, great sense of humour, stunning, think - if Carlsberg made brunettes and you won't go far wrong

### The Story:

Beauty and brains in one hell of a sexy package, went for assisted shower and body to body.

I'm really finding erotic/sensual massage is such a turn on and Ego have got things just right with the quality of their staff. The whole experience is just so much more meaningful with the same end result, the biggest smile on your face you could ever imagine. With lots of flash backs to what happened during your visit.

Book now with Gisele, you won't regret it, well unless you have a weak heart.
