The Premises:

Very deceiving apartment, very light and airy, clean, well equipped, shower facilities.

The Lady:

I would say that Emma is in her late 20's. Very nice smile, friendly and chatty. I would say she is around a size 14 (big and busty).

The Story:

I was greeted by her maid who was very charming and made me feel at home. I was taken into the room that we would be playing in which was fully equipped with a fantastic spanking bench, canes, bed bondage all the common equipment you would see in a submissive setting. I have seen a lot of submissive girls I was very excited about meeting Emma. When she entered the room I was a bit disappointed as I was led to believe that she was a slim size 10 and looking at her website she is portrayed as slim. I have not got a problem with seeing big girls it is only that I had a certain picture in my mind which I had visualised. I had also booked her for 90 minutes but she told me she was running late and that she could only see me for 1 hour. This was a bit disappointing again as her maid had not mentioned this on the telephone. I had a ok time with Emma, not the best but then again not the worse, she did spend time with me discussing the role-play and her personal services were good.
