The Premises:

Easy to find, close to Bristol Parkway, quiet residential area, easy parking, felt safe, didn't notice any twitching curtains. Inside the house is very clean and comfortable.

The Lady:

Attractive blonde, shoulder length hair about 5'6" curvey body probably about a 12 would say mid to late 30s silky smooth skin and shaved completely.

The Story:

This was an on the spur booking, in the area with some time on my hands, so gave Nicky a call, she was available and I was at her door within 15 minutes. Nicky opened the door wearing her "civvy" clothes, offered a drink, got the paperwork out of the way then Nicky led me to the bathroom and left me to have a shower (as agreed on the phone) Nicky returned with a fresh towel having removed her "civvy" clothes to reveal some rather sexy underwear, helped dry me down paying special attention to the important bits. She then led me into the bedroom where I was treated to a short massage, some very nice oral (covered) and then sex in a couple of positions, and to finish a very sensuous hand job, with some mild tie and tease, this lady loves to watch a man cum. So a very satisfying hour(over ran just a bit)in the company of a sexy lady. One thing, she is very chatty, didn't bother me but if chatty ladies is not your thing then you have been warned.
