The Lady:

Very sexy very petit and cute. As per pictures, dressed in short skirt bra top and stockings (as requested) etc. Typical Thai girl look that I love. Hair down below (not my preference) but soft and trimmed further round if you know what I mean - so aok! nice skin soft to touch, long black hair and smiles so much.

The Story:

offered glass of wine, had a quick shower to start. Undressed her and on the bed for some action, OWO was really good, so deep for a petit girl, seem to take all I have (OK only 6 and a bit inches but soo nice). Then on to sex, her on top. Then I fingered her arse, which she asked if I could use more lube, so no problem. Then on to full on A-level and a little fingering while in her arse which had the enevitable ending of me cumming ! ---- relaxing massage (offered round 2 but I was too spent) chat and shower to end.

Dior is such a sweet girl, and like the best Thai girls very willing to please you. I thanked her for doing A levels so willingly and enjoyed the OWO session so much as well. She is such a nice girl to be with and needs to be treated well to have her respond well to your requests.

She says she has only been in the UK 3 months, and recently moved to this flat in Earls Court.. I was her first client at 6PM - go see her she is so good to be with.

Thanks Dior - I will see you again soon when funds allow..
