Details of Service Provider:

The Premises:

Typical Soho walkup, Romilly Street near Charing X end, reasonably clean. As usual quite busy with people around so safe but open about what you are up to.

The Lady:

tallish Latvian brunette with a little bit of wobble around tum and bum but far from chubby, excellent sized breasts possibly D. I found her extremely cute looking, reminding me of the buxom girls who would be turned into vampires in Hammer Horror movies.

The Story:

Just felt comfortable straight away (and vice versa) so although quite few of the girls can be over business like, this was a very friendly punt. I don't want to go into details but I really enjoyed it and will be back for more. Treat her really well.
