The Lady:

I had seen Savana on a previous visit and not picked her because she was too good looking - does that make sense? Too good looking can sometimes translate into crap service. Well I thought I'd try her this time.

So anyway, she is stunning!!!!

The Story:

All in all a very intimate and sensual hour spent in the company of Savana. Wonderful RO, nice OWO, nice kissing and nice sex - although in mish only because I was considered too big (my only gripe).

She disproved my theory, which was nice. One of the great things about this hobby is getting to be intimate with someone who is so good looking that you would not even get within 10 yards of her in the outside world.
