As described before.

The Lady:

As per the web site - although now brunette??

I had seen Sammy when I picked Savana the week before (she was blonde then). Nearly chose her then, but went with Savana - glad I did then.

The Story:

Perfunctory is a way of describing it. Don't get me wrong, Sammy is very personable and pleasant, but it was a wham bam thank you mam approach. I felt like I was on a conveyor belt. No sooner had I cum, then I was out of her and handed tissues and wipes. No chance to enjoy the cum.

Interestingly saw Kerri but chose Sammy. Maybe I should've chosen Kerri? I seem to be making the wrong choice each time??
