The Premises:

Well known. Saw it at its best today in that the receptionists were extra friendly and had a nice laugh with them. Had a chat about the unmasked girls' photos opposite the desk then a fine shower, coffee and ready for action.

The Lady:

Cute. Chanelle made me very happy with my choice from the first moment.

She is very pretty but very real and I liked her look, trim figure, expressions and manner.

Fitter than her pics and with shorter hair she looks ... cute.

The Story:

Really pleased that we got off to a good start. First time with the name tag system and I found another girl's on the lounge floor so waved them at Chanelle and demanded my 2-girl. Ice broken.

She was cuddly and kissy from the off and very good to be with.

Enjoyed giving her oral and having it appreciated before she showed her own skills (ex Sandy's).

Not my most energetic performance but enjoyed the intimacy with Chanelle and we subsided into an unhurried chat at the end like old friends.

A meeting where you come away just delighted with everything.

A perfect way to mark the 1000th girl I have punted with.
