The Premises:

She lives in a block of flats just off the Latimer Road/St. Anns Road when I eventually found her place, inside was passable.

The Lady:

Well she describes herself as 35, add another 10 years I think, she also said she was a 34B, well she may have been some years ago, when she came back into the room with her bra & knickers off they were hanging quite a bit

The Story:

After dealing with the cash, she left the room, while I got undressed, she came back into the room totally naked, her body has seen some better days, her boobs were like feeling a plastic bag with a goldfish inside like you win at the fair. Quite a good massage on my back, then when she asked me to turn over. My cock did a slow response, eventually it was over,
