### The Premises:

Hotel by the A14, no problems getting past reception

### The Lady:

Tall (as tall as me in her heels) - so could look me in the eye, which is great. Redhead - my favourite. Wearing only a dress and holdups - very convenient. Funny, playful, sexy, gorgeous, enjoys her work. Yes, I was quite taken by her!

### The Story:

I was a few minutes late because of traffic on the A14, but Chloe didn't mind. Once I'd got into the room and had chance to look her up and down I knew I was in for a good time. Tall sexy redhead in small dress, heels and stockings, I thought I'd died and gone to heaven!

The next 45 minutes were one of the best appointments I've had. Chloe is gorgeous to look at, playful, responds well to attention in all the right places, chatty, friendly, likes a giggle. She's also sexy as anything. The time went far too fast, but I enjoyed every minute.

Very glad that she finally made it to Cambridge and very glad that I got the chance to meet her. Hopes she comes again, but not too often or else I'm going to be bankrupt.
