### The Story:

i arrived after a day in the dales, there was 4 girls working and sarah stood out as a right sexy lady above the others not as the others was not good looking but i chose her  
My choice was a good one in the room i started with the usual body rubb followed by a little oral on her until she came and boy she came wet and she loved it and i loved it to.  
i decided to let her frigg herself off while i did the same shooting my load on the towel on the bed fun was definite had by both, sat after in lounge had a cuppa and she told me she does almost everything and anything in her extras list  
Another good punt here thx sarah xx chef
