## The Story:

Susannah? A Friendly chatty girl who taught me a couple of Lithuanian phrases with which to wind up some of the strippers at Browns.Paid up 40 quid initially. She was wearing a lacey black bodice and panties with black fishnet tights and stilettos. She pulls of the bodice and climbs on top and starts to delicately drag her firm spherical breasts over my chest and over my cock and balls. This got me tingling with the feats that were to come. Lots of kissing and nibbling of my nipples and I changed my mind from a 10 minute wam bam and paid up another 50 for a full half an hour. A girl like Susannah needs to be savoured. She returned to give me an anal tickle by stroking the area around my shit pipe. Amazing. Covered oral followed and I watched her in the adjacent mirror as her golden locks fell over my nob and her head started bobbing up and down. I pulled her hair back to admire a true star going about her work. Chewing the tip of my bell-end and then running her tongue down to my balls. I was near hysterical at this point and my twitching scrote let me know I wouldn't last much longer from this exquisite torture. I told her to fuck me hard and deep and she acquiesced getting on top and slowly lowering herself on to me todger. She was juiced up to the max and had no need of KY to ease the pathway. I admired her titties swinging from side to side as she slammed herself down on me. Not much longer now.Ahhh ."Shoosh? she giggles and clamps a hand over my mouth. "They will think someone is being murdered in here". Susannah rides like Willy Carson and she doesn't even need to go to the whip. Enjoy this angel while you can.
