The Story:

dressed exactly as requested, in she walked. my jaw hit the floor. we started with a bbbj and this was amazing. she has a mouth like a hoover. dyson caitland is what she is called :)
i just had to taste her sweet pussy and i was very impressed and her compliments of me doing this was lovely.

back to bbbj and she even had my leg twitching, that is how good she is and i just had to explode.

we chilled and chatted, caitland is a very wonderful lady, we chatted so long that we lost track of time and never made it to round 2. which is very much of a shame as i really wanted to see how wild this girl is.

i just hope she remembers me when i go back for round 2,3,4 and many more
