### The Story:

Got myself in the shower for a quick scrub then on to the bed to wait for Suzi. She came in and looked at the soldier and admired my semi hard cock. "Oh this may be a problem because i am very small" in her sexy little accent. Not to worry says I Ill be gentle.

we got down to a bit of RO and i soon had her convulsing nice and responsive she was. moved on to a 69 very nice only problem was she was enjoying my tongue action so much she kept stopping her part of the deal! I ask you. after a good bout and 4 or 5 mouthfulls of pussy juice i had to blow a load over her lovely tits. Wow! little chat and soon recovered. She wanted to try and get the big fella in so she hopped on. woo hooo!!
