The Lady:

Another great punt at GFE with a stunner. Emily is very pretty, with shoulder-length blonde hair, and long legs. Like all the girls at this excellent parlour it would seem, her service is superb, and totally enthusiastic.

The Story:

She was up for it immediately. She walked into the room and we started snogging passionately like boyfriend and girlfriend. Actually, it was more like two horny souls who'd just met in a club and couldn't keep their hands off each other. We fucked in a few positions, the best of which was her legs up around my neck. Best of all were the very noisy moans and groans while I was fucking her. I don't think she was acting either.

Treat her well guys, she deserves it.
