The Premises:

Very nicely kept house, not far from West Drayton Central. Easy Parking. Nice bedroom & clean. Safe and discrete.

The Lady:

Short Brunette hair, slim, 5ft 4, English and pleasant enough. Plactic boobs with pointed nipples. Fully shaved. Her skin was not so 'tight', but it was OK.

The Story:

After speaking and texting on the phone, I thought I would give it a go. Bex said she would do an hour for 70 squid (usually 80 to 100), so I went for that. She does all services, and I wanted to be rimmed and CIM, facial, etc.

Started with a bit of a massage, which broke the ice. Then french kissing. She proceeded to lick my balls and gave me rim, it was good, but I was hoping she would make it 'Slurpee!' Then she did some OWO, which was nice.

I did want to cum too early, so I tried RO. She did not react too much, but I think she enjoyed it. She said she came anyhow (not that it showed)

I got her to tongue deep in my Jap eye, which I separated with my fingers. That went on for a few minutes. Then she deep throat me for a few strokes and that was too much. So I got her to lay down and I exploded in her mouth, lips and chin.

She did not swallow, but it was nice anyway.

In the beginning I did say I wanted to cum twice, but she said 'we will see'

I could have easily gone for round two, but I lost interest as she disappeared for a while. On return I knew she just was not that keen to go again, but she knew I did! Ah well

I would recommend her for 30m at 60 squid and CIM, etc. It was a shame she did not want to continue, because I was promised an hour on the phone. I think she is nice enough, but could do with a little more spark.

I doubt I will pop back there, but I won't say avoid, because that would not be fair. She will do your naughty desires, even if it's just the once. I hope she gives just that bit extra to make you feel that mmmm feeling. Maybe she will with you chaps.
