The Premises:

First time to this place - in the MK Hub area near the new Sainsbury's. Very similar standard to HOD - clean, friendly staff, felt safe.

The Lady:

Cliche - the pictures on the site don't do her justice. Far, far prettier than displayed.

Came dressed in a PVC dress, stockings and high heels. Hair is about 6 inches (maybe more) shorter than currently displayed.

The Story:

Handed the money over, then waited 5 minutes till she came back in. Snogged my face off and I proceeded to take her dress off, followed by my shirt. Now, I've got a pierced dick and normally take the ring out. Helen asked me to put it back in! Then proceeeded to suck and lick it, then took the whole lot in, proper deepthroat with her lips around the base of my cock, and it firmly wedged in her throat! I thought this was the domain of porn stars only! Not so! First time anyone has done this to me.

Helen is awesome she likes kissing and brought her to orgasm at least 3 times (apparently - she might be a good actor though) in 15 minutes, before the cover went on. Her on top, biting and pulling her nipples got her to orgasm again.
Then off with the cover and deep-throating until I came in her mouth. Couldn't believe it - she went back for the last little dribbles and she must have swallowed.

Now, Charlotte and Louise aren't bad, but nothing can compare to Helen. I've been a customer of HOD for many years, and nothing they've had can compare to Helen. Will I be back? Just try stopping me.
