The Premises:

Secluded, spacious barn conversion off a quiet country lane not far from A34 and M4. Did not see a soul either on my way there or when leaving. Car parked discreetly out of sight.

House spotlessly clean and tidy.

Several pets (dogs etc.) but they were under control and in another room.

The Lady:

Claire is a curvy, blonde, mature woman in her 50s. Her nipples are nicely sensitive and she has a trimmed pussy.

The Story:

I live a long way from Chieveley and had been planning for over a year to visit this lovely lady. In fact I made the booking some two months beforehand to be sure of seeing her. It was well worth the wait!

Claire greeted me at the door wearing a close fitting and very short black skirt which gave a glimpse of her thighs above her fishnet stockings. Her white blouse had a deep and inviting v-neck so I swiftly slipped my hand inside for a preliminary exploration as she responded with her tongue.

We were soon in her bedroom in front of the mirror and I removed her skirt and blouse and she stood before me in her black lingerie as I rapidly undressed. Then she was on her knees expertly giving me OWO, her sexy 'come-to-bed' eyes gazing up at me.

It was time to strip her (although I decided to leave her fishnets on) and we were on the bed. Claire was eager for sex and I did my best to oblige. Vigorous fingering on my part resulted in her having several spectacularly wet orgasms. In the end I was so aroused that I came a little sooner than expected.

Then Claire had the great idea of showing me a porn video in which she 'starred' with Patricia whom I have fucked several times in the past year. (See my FR on Patricia.) The show was in her lounge and the video was projected on to an enormous screen. We stretched out together naked on her sofa fondling one another as we watched.

Alas, my time came to an end all too quickly and I had to leave for the long journey home. Can't wait to make another trip to the area.

So many thanks, Claire, for a great first encounter. I hope we shall soon meet again.

And, guys, make sure you treat her well. She's a lovely lady.
