The Premises:

Easy to find flat just a short walk from tube station. It's a basement flat, and at first I went down the wrong flight of iron steps to end up in the refuse area. Just make sure you go down the right flight of steps to the side of the main entrance. The front door leads straight into the front room, but I couldn't see much cos the blinds were down and the lights off. The bedroom again had the blinds down and the dimmer light set to low. The room itself is minimalist ? just a bed, chair and the radiator, which was on!

The Lady:

When I saw Vanessa's profile on the web, she seemed to me to be a knock-out. In real life she looks much better than her pictures suggest. She's 20yrs old, slender with long brunette hair. She has a knock-out figure and a wonderful rear.

The Story:

Even tho the lights were low, Vanessa herself more than lit up the place. She was a vibrant and engaging personality and likes to chat between the main bouts. Altho kissing, CIM and OWO are not on the menu, she is nevertheless eager to please.

To begin with, quite a bit of chat to get us into the mood, culminating in her asking me what my favourite sexual position was. What followed was numerous covered BJ's, and 69 which, while I had my face buried into her pussy, eventually sent me over the edge.

In between rounds I found out a bit about Romania from her, which is where she's from. Round 2 started with prolonged DATY, which she enjoyed, and then doggie, CG and more covered BJ. I couldn't reach pop no.2 - but this was not with valiant oral efforts from Vanessa to get me there.

Time ran out too quick. For the last 5mins she lay serenely and contentedly beside me. A wonderful GFE.

My only winge of complaint was that Vanessa applied the condom a bit too early in the proceedings. But otherwise, and in spite of a limited level of service than I'm normally used to, an excellent and

enjoyable hour with a pleasant and captivating young woman.
