### The Premises:

A very nice, intimate first-floor flat in a pleasant, quiet residential area of Horsham. I felt completely safe.

### The Lady:

Auburn hair, blue eyes, curvy figure slightly below medium height.

### The Story:

I had long been very attracted by what I saw of and read about Penny on her web-site and on Twitter, so I was delighted when my chance at last came to visit her in Horsham. Since I don't drive, Penny kindly offered to pick me up in her car at an agreed location: we called it kidnapping me.

Once she had got me to her flat, she cuddled up to me on the sofa while we chatted almost like old friends. Within a few minutes, we were in her bedroom, where, with superb imaginativeness and timing, Penny gave me a luscious translation into reality of one or two lifelong erotic fantasies of mine that I had described to her beforehand.

Though it's hard not to want her all to oneself, I would recommend Penny to anyone. She fully lives up to her promise and is, moreover, one of the nicest women you could ever hope to meet, inspiring great affection and respect.
