The Premises:

As previously reported terraced house just outside town centre - street off Kettering Road. Seemed clean enough.

The Lady:

Chinese girl of indeterminate age. Speaks little English. Not strikingly beautiful but with a round smiley face. Nice body with large suckable nipples. Had just got out of shower and smelled sweet and inviting.

The Story:

Gave a kind of regular back massage then body to body and kissed my back which was rather nice. Turned over and kissed but no tongues. I asked for OWO which was ?10 on top of the regular ?60 for half an hour. She gave some really good head on the bed and then in front of the mirror with her kneeling at my feet. Nice eye contact and attention to all parts of my shaft. Before things went to far I moved her back to the bed and gave her a good tonguing - she tasted as good as she smelled. No fingers allowed but she moaned as if she was enjoying herself. I certainly was. Then on the mac for doggy and mish to finish. She made satisfied noises again but maybe a little contrived. Anyway as I came she gave me two thumbs up signs - not sure if she was asking if I had finished or whether she had enjoyed being fucked? Got cleaned up and dressed. She asked if I would visit again and I said I would - and I will - but more GFE things would make it an amazing.
