### The Premises:

Intimage Massage is a very cosy and intimate parlour, on my visit the receptionist was very friendly and a good laugh! The area is a bit run down and the place looks nothing from the outside - though appearances can be deceptive. Parking was ample and at that time of day was free. There is a KFC over the road; which was handy as after half an hour with Natasha I needed some substance; and that was the second thing that night that was finger lickin' good!

### The Lady:

OMG and Wow! What a stunner Natasha is. She came into the room wearing a sultry fishnet negligee, which struggled to hide her ample cleavage and could not hide what can only be described as the most perfect arse I have ever seen! Her butt, like her breasts, defy gravity - a perfectly formed small tight arse, which Natasha put down to plenty of Latin dancing. Her breasts were all natural DD's and so pert they give the illusion of being surgically enhanced; though on very close inspection I can report that they were all real! Natasha also has the most wonderful sexy eyes and lips like Anelina Jolie and boy did she put them to good use, both kissing passionately and giving me the most amazing blow job. Ever!

### The Story:

Natasha really made me feel special and as if we were on a very successful date; where anything goes and all she wanted to do was please. She really took her time and was a credit to her profession! Plenty of touching, kissing, caressing, sucking and fucking. If you are thinking of seeing anyone and are in Bedford (or like me willing to make the journey) I am sure you will be glad you chose Natasha. I know I am and can't wait until next time when I will pay and play for a bit longer so as to enjoy an intimate bubble bath and finish off with fucking that gorgeous tight arse of hers!
