The Lady:

A black babe from Bermuda. Pretty face, small breasts. Slim & toned but with a few tattoos. Nothing that would be considered a turn off. Border line ghetto whore but with a soft edge.

The Story:

This girl works with Alisha (See FR 96145/92545/94514). I cold called Alisha (without knowing what she even looked like) based on her good reviews. Alisha's monthlies put her out of action so she set me up with Sasha & I'm glad she did.

I've seen Sasha 3 times now and she's good. She loves her work. She starts with a massage and then performs great OWO. She spat on my shaft like a porn star. She's tried different positions each time so she doesn't have just one particular routine or favorite position. I will definitely see her again. I've yet to try Alisha. I'm having too much fun with Sasha.
