The Premises:

Well known and welcoming. Maid was especially friendly and helpful and even laughed off my clumsy attempts to seduce her. One day though... Bathroom is along corridor from downstairs just-used room but room was prepared for me while having good shower.

The Lady:

Tall, healthy-build mixed race lady. Indian mix with very pale complexion but very Indian hair, eyes and facial contours - a super overall effect and a completely unannoying Black Country side to her accent.

The Story:

Brilliant time. Sapphire was friendly and chatty and sexy from the start.

Soon boby to body massage with her very impressive breasts and some roaming hands plus kissing had obvious effect.

Oral without paid for and more than worth it, as was asking for 69 which was great and extended over a good long time.

Then Sapphire was fully involved in the sex and the kissing became more passionate.

Just a super time in every respect. After previously seeing Ciera, I am working through the cars and this model ticks all the boxes.

As I started by saying, a brilliant time with a great lady and that smile on your face as you leave makes you congratulate yourself on your talent for choosing the right girl.
