### The Premises:

The normal you would expect from Ego / HOD establishments. Is Discrete and felt safe.

### The Lady:

Stunning, the pictures are the website do not do her justice.

### The Story:

This was just what I needed to get the week started. I was rather quite but Natasha did very very well to help me relax. I enjoy the actual massage at Ego much more then any other establishments.

Natasha did not disappoint at all and will be back for more!

Thanks Natasha, I had a good time..
