Exactly as described on Debbie?s website, although the ?photos tend to make her look bigger than she actually is. Tall, slim blonde. Age around late 20?s early 30?s

### The Story:

Another great time with Nina; Have seen her now on quite a few occasions but, after an enforced absence (my fault not hers) this was one of the best yet and has prompted me to, at last, write a review.

Nina is a very attractive girl with a vivacious, fun loving personality. I was struck by this the very first time I saw her and she has been the same every time we meet. She has a great sense of humour and those of you who like to have a laugh and joke (as well as great sex, of course) will find her an ideal companion.

We started, as usual, with the shared shower which I think is one of the big attractions at Debbie?s. This was both sensual and great fun. Followed in the bedroom by oral (with) and RO plus some fantastic sex in many positions. Finished to a very satisfying climax with Nina on top.

Engaged throughout in some lovely DFK (which is important to me); I rate her as one of the best kissers that I have met both for technique and genuine enthusiasm.

Afterwards there was time for a little relaxed chat and a cuddle on the bed, which rounded off the experience perfectly.

I would love to keep Nina a secret, but I think it?s only fair to her that she has the opportunity to be appreciated by a wider audience.

Guys, get yourselves down there (she works every other Saturday at present). You will not be

disappointed!
