### The Premises:

This place was very clean and the receptionist was very friendly. It was easy to find and parking was very ample.

### The Lady:

Donna had the best body i have seen in a long time. Tanned and curvy. Her breasts were absolutely natural and gorgeous. Just like pages of certain papers you can read - maybe better!

### The Story:

I have never been to a massage parlour before or indeed called for the services of an escort so i was very nervous, however i had no need to be. After meeting the girls that were available i made my choice, however it was very difficult because both girls were gorgeous English ladies. I chose Donna and was shown to a room and offered various refreshments. To cut a long story short, i had the best time in my life with this lady and really enjoyed the wholetime. There was no rush and i felt absolutely comfortable the whole hour. I can't wait to return to see Donna because i have been on high since i saw her. I cannot recommend this lovely lady enough.
