### The Premises:

Clean? Yes.

Nice area? Nice and quiet.

I felt very comfortable and safe in the area.

### The Lady:

Delightful, Statuesque is the best description I could give. Around 38 to 40 maybe. Delicious lips and velvet skin, wonderful long legs and breasts to die for.

### The Story:

I had done my research, reading her blog and website.

We had previously chatted via email regarding what she would wear. I had said jeans and T shirt is she felt comfortable, she dressed in a very sexy variation of this. I was a bit nervous, but Pru very quickly put me at ease with a nice cup of tea.

She invited me upstairs. I followed her ample backside, stroking it as we went.

I won't go into what we got up to during our time together, suffice to say it was very pleasurable. Pru helped me discover something about myself I was unaware of, which made the session very stimulating and exciting.

At no time did i ever feel pressured for time or to leave at the end of our allotted time.

Any complaints- None whatsoever, I will be back to see her again for certain.

Pru was the first escort I had ever met, I wonder if all ladies are like her? I suspect not from what I have read. She is a real gem.
