The Premises:

Sam's place was a nicely kept flat which she uses for work. There was ample parking space in the grounds of the newly built apartments, and I felt very safe in this quiet area.

The Lady:

Sam is tall, at about 5foot 8in or so, with enhanced breasts and what turned out to be sensitive nipples.

The Story:

Sam was very hospitable, offering soft drinks during our time together, which was very nice. She did what not many others have done and that was made me cum twice. The first from a 69 position, where she gave me OWO, and then from her riding me like there's no tomorrow, after telling me not to cum!

We also chatted about different things, but mostly about her job and my daughters' who do the same sort of thing.

All in all, a very enjoyable meeting with Sam, who loves kissing, and I know she enjoyed it as much if not more than I did.

Thank you Sam.
