### The Story:

Got off to a great start with Joly, she welcomed me warmly with open arms and a big french kiss as she wrapped her arms around me. What struck me was her approach, very friendly and chatty, as if this had been the fifth time I had seen her when it was the first.

There is no doubting that she lived up to my perception of Brazilian girls - she was a dirty bitch. No sooner had I emerged from the shower than she was all over me like a rash. It is very nice to be pounced on in this way, for me it says that she wanted it as much as me. We did just about everything, she wouldn't let me cum in her mouth unfortunately but her BBBJ was great. What deserves a special mention is her rimmimg - obvious hse loves it and is well practiced, no holding back with this girl. I cum twice, the first time ovver her face, second time doggy style after fucking furiously in varios positions. Like I said, she is a dirty bitch. Glad I saw her.
