The Premises:

Small flat near South Ken tube. Easy to find. On a fairly busy road but you can walk straight in.

The Lady:

Really good-looking, amazing tanned body, bleach blonde hair, large natural breasts

The Story:

Didn't waste much time. Lots of kissing and touching. She was very responsive to RO. Had a CBJ which was ok. Started off in mish, then she was on top, then doggy, then more CBJ, then we spooned, and finally back to mish.

Had a great chat and massage. Didn't bother with round 2 because the first one took 35 mins.

Only downside was that she shared the flat with someone else so we were stuck on a fold out bed in the living room. Apparently they take turns for the bedroom.

Had a great time and may repeat.
