Nothing like photos displayed on website, quite a few tatoos, but still quite pretty, average height, and slim.

The Story:

After a mixup with a booking the week before (agaencies fault), decided to give this 'new' agency another try as apparently they used to be called 'Diamonds and Lace' - which was by far the best incall agency in Cardiff.

I called at short notice and was told only 1 girl was available that night for an incall - Porsha (also known as Sugar on website).

I turned up on time and was pleased that the apartment was very modern, clean and private.

Porsha was a pretty girl, but not at all like the photos on the website - in particular she had quite a few tatoos (which have been airbrushed out in the photos).

Although very friendly, and didn't seem in a rush, she didn't seem to want to offer me a service either, ?70 for half hour is quite a lot but apparently if you want oral its another ?20 extra, and any other extra is also ?20, although she didn't explain exactly what she offered as extras.

I had to get myself hard, wanking while she played with herself, sex was brief and purposely held me off so I couldn't go in 'deep'. All very brief, no-where near the standard of the agency formerly known

as Diamonds and Lace.

Even though it was only a half hour booking, for ?70 I expected a lot better - infact I've had better services in parlours in Cardiff for as little as ?45/?50.

Will possibly try another lady at this agency again, but maybe not for a while.
