Profile Name: Dartford Mature Massage

The Premises:

as per previous reports, nice clean environment.

The Lady:

jenny is blonde about 5'8" of welsh origin & looks far too young to be in a mature establishment. she is also a very big lady.

The Story:

my usual set of blow job cowgirl & mish was undertaken, appearances are always deceptive. the sex was excellent & good value for the money, jenny was also good company (don't take the micky out of wales!) however she has sharp claws & can bite, so be careful if thats not your thing. as always this place has come up with the goods.
